Madina Group is one of the leading private business conglomerates in Bangladesh, established in 1978 to serve the common people with quality products in the manufacturing and plastic sectors. In 2012, Madina Group expanded into the home appliance sector with the launch of **Madina Kitchen Sink**, with a vision to make kitchen life easier, more stylish and more efficient for households across the country.

Madina Kitchen Sink is known for its durability, advanced technology and modern design. With a wide variety of bowl configurations available in Madina, Super, Deluxe and Premium series (single and double bowl combinations). We ensure that every kitchen can find the perfect match. Built with heavy gauge stainless steel, our sinks are designed to be strong, long-lasting, and rust-resistant.

Our commitment is to excellence, quality and customer satisfaction. **Madina Kitchen Sinks** are widely used in both households and commercial kitchens because they offer the perfect balance of cost-effectiveness, usability and durability. They are built to withstand heavy use from pots and pans to running water and messy food residues while remaining easy to clean and maintain.

Features of Madina Kitchen Sink

- **Premium Quality:** Made of high-quality, food-grade stainless steel.
- **100% Rust-Proof:** Ensures long-lasting durability.
